HOPEFUL FOR THE FUTURE.  
READY FOR THE CHALLENGES AHEAD.

It's a very exciting time in America, and an especially exciting time here in North Carolina.

This year, we have a chance to make history.

I've endorsed Barack Obama, because I believe that he is truly committed—as I am—to bringing real change for our families.

- Quality affordable health care for all North Carolina families
- Better schools for our children
- Good jobs for a strong economic future

This year, we can all be hopeful about our future. We are already seeing that things can change.
